THE KYLE SISTERS

Paris and Sydney Kyle are a dynamic sister duo redefining beauty, fashion, and sisterhood. Hailing from Houston, Texas, their journey began with acting and modeling classes at Page Parkes Agency, shaping their skills and igniting their entrepreneurial spirits. Relocating to Los Angeles to chase bigger dreams, they launched their own luxury pajama line, The Kyle Collection.

With a bond that goes beyond blood, Paris and Sydney are business partners, confidantes, and each other's biggest supporters. They have cultivated a strong social media presence, connecting with audiences on platforms like Instagram, TikTok, and YouTube. Their engaging content, including weekly vlogs, showcases not only their fashion and beauty prowess but also their vibrant personalities.

Recognized for their authenticity and relatability, the Kyle sisters have collaborated with renowned brands such as Fabletics, Unsun, Chasity Sereal, and Bossette Hair. Their partnerships reflect a strategic alignment with brands that resonate with their values and contribute to their overarching mission.

With upcoming projects in the pipeline, including forays into acting and a rebranding of The Kyle Collection, Paris and Sydney are poised for even greater heights. Follow their journey as they continue to inspire and empower others.
